

Executive Director's Message

Can you believe we are almost 25% finished with 2022! Purim is early this year and hopefully Spring is not far behind!

As I mentioned last month, we have evolved our website to become the main portal for all things Temple Beth Israel-Shaare Zedek. Moving forward, all information of a religious, spiritual or educational nature will be posted on the official Temple website. There are enhanced features which include Shabbat service information, adult education topics, Mishabeirach and Yahrzeit information. We have added a new section called **Schmooze & News**. Here, you will find things like the Rabbi's Message and other relevant current news and/or information related to Judaism, Lima or Israel. The former Temple Bulletin will no longer be published as everything has now moved online for secure, easier and faster on-demand access.

On the advice of both the Lima Police Department and our webmaster Modo Media, some of this information should be kept secure. To this end, this restricted information will be available to all congregants by logging in with their individual username and password. I have contacted some of you about this already, but if you have questions until we can get to contact everyone, please reach out.

Best Regards-

Joel Oster
Executive Director
